

Science

We will be learning about how sounds are produced through vibrations. We will explore how our ears work to hear sounds. How pitch and volume can change and complete some investigations.

English

We begin by exploring the poem 'Dandelion' by Jackie Morris and Robert Macfarlane. This will lead to us writing our own poetry inspired by wildflowers.

After this, we delve into the world of Harry Potter and use it to explore character descriptions and get creative writing our own stories based on their own wizarding school.

Maths

Fractions and decimals

- Look at the whole and numbers over one whole.
- Explore mixed numbers and improper fractions
- Add and subtract fractions and mixed numbers
- Tenths as fractions and decimals
- Hundredths as fractions and decimals.

R.E.

Salvation - why do Christians call the day Jesus died 'Good Friday'?

Look at the story of the Last Supper and link it to the rest of Holy Week.

Hinduism - Should believers give things up?

We will compare Hindu fasting with Christian Lent.

History

Why did the Romans invade and settle in Britain?

Time to delve into our history and learn when and how the Romans came to occupy Britain. We will explore how the Britons reacted through the story of Boudicca as well as learn why the Roman army was so successful. Finally, we shall be historians looking at some artefacts and considering what they tell us about the Romans and what legacy they left.

Roads to Rome

RSHE

We will look at:

Identifying ways in which everyone is unique.
Explore the choices they make for themselves and choices others make for them.
Understand that the body gets energy from food, water and oxygen and that exercise and sleep are important to our health.
Understand the ways in which they can contribute to the care of the environment
Look at first aid
Explore how volunteering makes a difference.

P.E.

Fitness (Tuesdays)

Badminton / Tennis (Thursdays)

French

We will explore weather phrases, compass points and the water cycle.

DT

Using a range of materials, design and make a car with a working slingshot mechanism and house the mechanism using a range of nets.

Music

We continue our brass lessons with Mr Browne.

There will be a short concert on the last Wednesday of term. Time tbc.

Computing

We will be exploring websites further and focusing on HTML. We will explore how HTML is a code used to create websites and learn a few of the basic tags used to code websites. We will also learn how to find an existing HTML for a website.
