

**Maths**

- We will be using different resources to help our understanding of **Multiplication and Division**.
  - recall and use multiplication and division facts for the 2, 5 and 10 multiplication tables, including recognising odd and even numbers
  - calculate mathematical statements for multiplication and division within the multiplication tables and write them using the multiplication (×), division (÷) and equals (=) signs
  - show that multiplication of 2 numbers can be done in any order (commutative) and division of 1 number by another cannot

**RSHE**

During our RSHE lessons, we will be focusing and discussing:

- Being My Best
  - Using courage to be our best
  - Understanding our body and how it changes.

**RE**

**Our big question:**

- What do Sikh's learn from the Big 5?
  - We will be delving into the religion of Sikhism and finding out about what the five takhts are and how they have a very special significance for the Sikh community.

**Science - Animals, including humans: Life cycles and health**

- We will identify stages in the life cycles of different animals, including humans and describe the basic survival needs of animals
- We will more onto explaining how to take care of personal hygiene, describe some positive effects of exercise and identify foods in different food groups.

**English**

**Writing**

- In Writing this term, we will be focusing on poetry and instruction writing.

**Spelling / Phonics**

- KS1 word list
- Revisiting Phase 5 graphemes
- Common homophones
- Words with apostrophes for contraction (can't/don't) and possession (dog's/Sally's)

**History**

We will be:

- Discovering the lives of Florence Nightingale, Mary Seacole and Edith Cavell and what their impact was pre and post war.

**Computing**

- Using the programme Scratch JR on the iPads to develop our coding skills.

**Physical Education**

- Fitness
- Badminton

**Design and Technology**

We will be focusing on mechanisms and how Fairground wheel's work. We will be designing and creating a functional fairground wheel so that the wheel rotates and the structure stands freely.

**Music**

In our music session this term, our focus is on rhythm. We will be listening to different composers who use transport as an inspiration for their music.

**Year 2 - Term 4  
Topic Web - Nurturing Nurses**
